
Camí de s'Arxiduc (Valldemossa)

This delightful walk starts in the north-west of Mallorca in the picturesque mountain village of Valldemossa, known for its scenic beauty and the many celebrities who have been enchanted by this amazing beauty of nature, like the composer Frederic Chopin, Robert Graves, Archduke Luis Salvador, Michael Douglas and many more. From Valldemossa we walk on ancient tracks, the reconstruction of Archduke Ludwig Salvator, who end of the 19th Century has been initiated.

Spectacular circular route, which combines a beautiful landscape of oak forests with history and traditions. During the way we will find lots of interesting historical places and stories, many old buildings like colliers houses, traditional hunting hills, places with panoramic views of the Archduke of Austria. This Camí de s'Arxiduc offers an unforgettable mountain walk, a path through perhaps the most impressive peak of Mallorca at a height of 900 m.
